BANK DRAFT FOR UTILITY BILLING

The Town offers a Bank Draft option for your utility billing. You may elect to have your utility bill automatically drafted from your bank account (must be a checking or savings account) by completing the bank draft application found on our Town Website. Bank drafts are processed on or around the 23rd and will be applied to your account before the Town assesses late fees. For more information or to find the application for automatic bank draft, visit the Town Website's [Water and Garbage Service Page](#).

Topsail Beach Special Plates

Some Exciting News!

The Town surpassed the needed 300 applications to move forward with requesting a Special License plate through the DMV. It is still a lengthy process once we submit all paperwork to the DMV, but we are excited to be able to move forward and hope to see these special plates on the road soon!

THANK YOU TO EVERYONE THAT APPLIED!
