Hurricane Season

Hurricane Re-Entry Decals and Agent Authorization Forms

The 2022 Hurricane Season Re-Entry Decals and Agent Authorization Forms will be mailed by the end of next week. Only two (2) decals will be given for a property. Please note, decals **will not** be issued once the Town declares a State of Emergency.

All Agent Authorization forms must be notarized and submitted to the Police Department by July 1, 2022. Agent Authorization forms will not be accepted once the Town declares a State of Emergency. Those you have designated as your agent must have a copy of the form with them to gain entry onto the island once it is permissible.

IMPORTANT: Previous Agent Authorization forms on file at the Police Department will be discarded and new ones must be submitted for 2022 and annually thereafter.

What to Do Before the Tropical Storm or Hurricane

It is vital to understand your home's vulnerability to storm surge, flooding, and wind. Here is your checklist of things to do for hurricane season:

- Know your zone: check the [evacuation site website](#).
- Put Together an Emergency Kit: Put together a [basic emergency](#) kit. Check emergency equipment, such as flashlights, generators and storm shutters.
- Write or review your Family Emergency Plan: Before an emergency happens, sit down with your family or close friends and decide how you will get in contact with each other, where you will go, and what you will do in an emergency. Keep a copy of this plan in your emergency supplies kit or another safe place where you can access it in the event of a disaster. Start at the Ready.Gov [emergency plan webpage](#).
- Review Your Insurance Policies: Review your insurance policies to ensure that you have adequate coverage for your home and personal property.
- Understand NWS forecast products, especially the meaning of [NWS watches and warnings](#).
- Preparation tips for your home from the [Federal Alliance for Safe Homes](#)
- [Preparation Tips for those with Chronic Illnesses](#)
